

PRODUCT LINE CARD

QUALITY

You need to protect your customers' and your brand's reputation by using the highest quality products.*

SPEED

In your world, you need products quickly without any lost production time.

VALUE-ADD

Enjoy better access to the brands you trust. We provide manufacturing capabilities with distribution flexibility.

EXPERTISE

You're the expert in your products; let us be the expert for your interconnects.

PEI-GENESIS CUSTOMER PROCESS

ENGAGE Whether you meet with a PEI sales expert or visit www.peigenesis.com, we'll get you the right solution, fast.

RESEARCH Access our online resources, 24 hours a day / 7 days a week, or contact an Applications Engineer at: techsupport@peigenesis.com.

SOLVE We will work with you to identify the right parts to meet your needs.

OPTIMIZE Our work is never done. We will work with you to continue to optimize your solution.

APPROVE We make sure all technical specifications, quotes, timing, and quantities are approved by you.

MANUFACTURE We build your order to your specifications with precision and speed.

*Headquartered in Philadelphia, PA., PEI-Genesis maintains an AS9100D and ISO9001:2015 certified quality management system at its corporate headquarters in Philadelphia, PA, and at production facilities in South Bend, IN; Chandler, AZ; Southampton, UK; and Zhuhai, China.

MANUFACTURERS

PEI-Genesis is an authorized distributor for the premier brands in the industry.

ITT

High reliability military and commercial interconnects

cannon veam

Amphenol®

All divisions including: Aerospace, AFSL, Air LB, Alden, Canada, FCI*, ICC, Industrial, Infocom, LTV, Nexus, Oil & Gas, PCD, RF, Sine, Socapex, SV Microwave, Tuchel, UK Ltd.

DEUTSCH and Raychem
High reliability connectors and cable accessories for aerospace, military, and industrial applications

Custom filter connectors, transient suppression connectors, and application specific engineered solutions

High performance, high reliability interconnect solutions for harsh environments

High quality push-pull connectors, tools, and accessories

Interconnect products for aerospace, transportation, military, and commercial applications including Fibreco

Premium power and signal connectors for a wide variety of global industries*

* China, Hong Kong

**North America

Abbotec
Connector nutplates for military and automotive applications

Anderson Power
High current, quick-disconnect power connectors

CarlisleIT/Tri-Star
High reliability contacts and military interconnect products

Conesys
ISO 9001 and AS9100-certified, world-class designer and manufacturer of circular and rectangular connectors

Dialight
LED technology for light engines, power supplies, optics, and intelligent control

DSG-Canusa
Complete source for heat shrink tubing products and heat shrinkable related technology

E-T-A®
Circuit protection devices and power management solutions

Flexa
Protective conduit systems made of plastic and steel

HARTING
Connectors, device terminations, backplanes, and network components

HellermannTyton
Leading manufacturer of cable ties, clamps, heat shrink, and label identifiers

ISC Engineering
Leader in manufacturing custom-molded cable assemblies and overmolded cables

Panduit
Network and electrical solutions for wiring and communications applications

PMA
Cable protection systems

Rampart
Custom designed cable solutions for high pressure applications

Sure-Seal®
Environmentally-sealed connectors and cable assemblies for harsh environments

TechFlex
Sleeving solutions and related products for the management and protection of wires, cables, and hoses

Trox
PEI-Genesis is a global authorized distributor for the Trolex Falcon Series

Trafag**
Precise production of pressure transducers, pressure switches, and temperature switches

Ulti-Mate
Micro and nano connectors

Zippertubing Co.
Wrap-around cable management, EMI shielding, heat shrink, and tubing
